**SECTION FOUR: REGISTER ONLINE IN STUDENTVUE.** You can check the accuracy of the requests by noting 12 courses entered with the total credits being equal to 6. A full year class counts as 2 selections – e.g. Ch. English 8 should have two entries (ENG850A & ENG850B) & a semester class will be one selection only. Alternate elective requests will have an additional 3 entries. Once entered, course requests will automatically be saved.

Be advised that some semester electives may not be offered if sign-ups are not adequate or staffing is not available. KMS cannot guarantee that a student will receive any particular elective request.

Change requests will only be considered for:

1. Wrong placement (incorrect level or duplicate course)
2. Medical reason
3. Incomplete schedule
