

Student Services Department

Northshore School District

Administrative Center
3330 Monte Villa Parkway
Bothell, WA 98021-8972
425-408-7745

Dear Northshore Student,

We are excited to have you participate in the *School2Home* computer rollout. This program gives students the opportunity to take a district issued laptop home to use for their academics.

Representatives from the Student Services Department will meet with you to issue your computer and answer any questions that you have. We will ask that you complete a pre-assessment when you receive your computer and a post-assessment when you return it.

Attached to this letter, you will find the *Student Technology Equipment Use Agreement* to read with your family, initial and sign. **Please return this form to your counseling office by Thursday. We will not be able to issue a computer until we receive this form.**

During our meeting you will receive the following:

- MacBook Computer
- Charger
- Carry Case
- Handbook

We look forward to meeting and working with you this week.

Thank you,
Rick Ferrell, Director of Student Services
